Arts, Audio/Visual Technology and Communications

The Arts, Audio/Visual Technology and Communications career cluster is divided into the following six majors:

“Success as an arts professional relies not only on spending thousands of hours at mastering a skill, such as the piano, the barre, or the easel; it also relies on carefully honed listening and observational skills, mastery of the creative discovery process, an intense curiosity and an interest in human beings.”

— Katie Fox, Executive Director

Harbison Theatre at Midlands Technical College
