

BE A PART OF

FINANCE

The Finance career cluster is divided into the following five majors:

Business strategists and professionals must be able to accurately anticipate and assess real results in real numbers. Professionals in the finance cluster are vital to our economic life, now and into the future.

TECHNICAL COMPETENCE

The practices of business finance, investing and accounting have come a long way from the abacus. Comfort and familiarity in working with computers as tools of your trade are vital for your success.

DID YOU KNOW?

The South Carolina Occupational Information System (SCOIS) counts more than 100 occupations that fall under the broad category of finance.
