

# BE A PART OF EDUCATION AND TRAINING

The Education and Training career cluster is divided into the following three majors:

Whether helping a child to learn to read, a teen to do algebra, a college student to speak a foreign language, or a working professional to master a new skill, those who teach are empowering lives and powering our economy.

## DID YOU KNOW?

Government studies show good prospects for job growth in a wide range of education careers, from pre-school and kindergarten teachers to post-secondary educators and specialized trainers in a myriad of fields. Job growth is expected to increase over the next ten years as the baby boomer population retires and leaves jobs available.
