

# South Carolina Work-Based Learning Career Ready Roadmap

1. Student is placed at worksite!  
(must be apprenticeship, internship, or co-op)

3. Student must have earned a minimum 1 unit of credit in pathway related to placement

5. Industry evaluation plan is created from training agreement, scale 1-5, aligned to Profile of SC Graduate (final evaluation 3 or higher for career ready)

2. Placement must be aligned to student's IGP/Career Goals

4. Training agreement is created with worksite supervisor outlining objectives and skills to be mastered during placement. (Min. 40 hours to qualify)

6. Student successfully completes the entire placement

7. Report placement in PowerSchool on the WBL page in the RED box!
